

BESSEY® Clippix® XCL

Needle Nose Spring Clamps

Simply better.

The new Clippix® XCL needle nose spring clamps are made for those hard to reach spaces. The Clippix® XCL models have a long tapered nose for deep reach, making these clamps ideal for delicate or tight situations. The Clippix® XCL comes in two sizes.

- 1 Long tapered nose for a deep reach.
- 2 XCL5 has an ergonomic 2-component handle that is designed for comfort and a firm grip.
- 3 Soft-touch pads for a non-marring firm grip.
- 4 Comes in a 12 pack master carton (full colour shelf display)
- 5 Comes with a retail ready tag-showing UPC and key features (Not shown)

| Catalog Number | Clamping Capacity | Throat Depth | Master Carton Code/ITF-14 | UPC Code |
